TO: Steve Alexander, Investment Manager  
FROM: Martha O. Haynie, County Comptroller  
SUBJECT: Investment Legislation

A handwritten signature in cursive script, appearing to read "Martha", is written over the "FROM:" line of the header.

Steve, I often brag, in public and especially in Clerks' meetings, about the exceptional quality of my staff. Not only am I confident that the Orange County Comptroller's Office is among the finest governmental finance, auditing, and records management shops in the state, I have the satisfaction of frequent opportunities to share our knowledge and ideas with sister organizations.

I also tend to take it for granted that I have an exceptional staff, and that you know that I appreciate all your efforts.

But, just in case...

Thank you. Thanks for all the time and effort you have put into the FACC Investment Policies and Procedures Task Force, drafting the investment bill, and now assisting not only us, but so many other governments, in understanding and implementing the provisions of the legislation. It was gratifying to have our efforts acknowledged by the FACC.

I know that every day you have plenty to do without taking on extra projects, yet I know that when I ask for help with any extra project, you're there. I appreciate it.
